

## WOMEN'S CLASSIC COAT

Article No.: 0605FT01-CC-W

**Flash Armor**® inherently flame-retardant and high temperature resistant garments do not support combustion in the air, melt or drip due to their molecular structure and its flame retardant characteristics cannot be washed away. Our range is designed to cater for working conditions around the world as garments are offered in various designs and options.

Flame resistant clothing made with **Flash Armor**® provides valuable peace-of-mind, which enables those who wear it to focus on the job at-hand & perform to their fullest potential.

**PYXIS**® is an inherent heat and flame resistant fabric that provides optimum protection against flash fire and electric arc flash. Engineered to the highest level of strength, durability and comfort, **PYXIS**® is suitable for oil and gas, petrochemical, fire service, electrical maintenance, steel and welding.
