

## WORK COVERALL

Article No.: 01180PL36

Parma™ FR Cotton Workwears offers a high level of protection to welders without being as heavy as the leather alternative. This can be an advantage on worksites with high temperature & humidity levels. Constructed using premium 100% cotton treated with Proban® blend. Parma™ features flame-retardant properties, thermal protection, comfort and durability that meet industry workwear regulations.

**AVIOR®** Treated fabrics offer the best overall flame protection available for cotton, as proved by comprehensive testing in line with international flame retardant standards.

**AVIOR®** has an outstanding durability to wash and wear, which assures long life of the clothing. Features, flame retardant properties, oil and water repellency, resistance to static build-up.
