

Funnel with Magnets

Model No.: 88161TST350

DESCRIPTIONS

- A superior solution for when you want to catch a leak quickly, but are not equipped for exposure to the chemical.
- The handle allows you to bring the funnel up to the leak and position it against the leaking area.
- Super magnets mean that the funnel's sealing surface attaches to the base.
- The funnel is fitted with a connection which makes it possible to attach a fire hose or collection cushion to collect the leakage.
- Connections available: The funnel comes packed in a case, making it easy to store, for example in a rescue vehicle.
